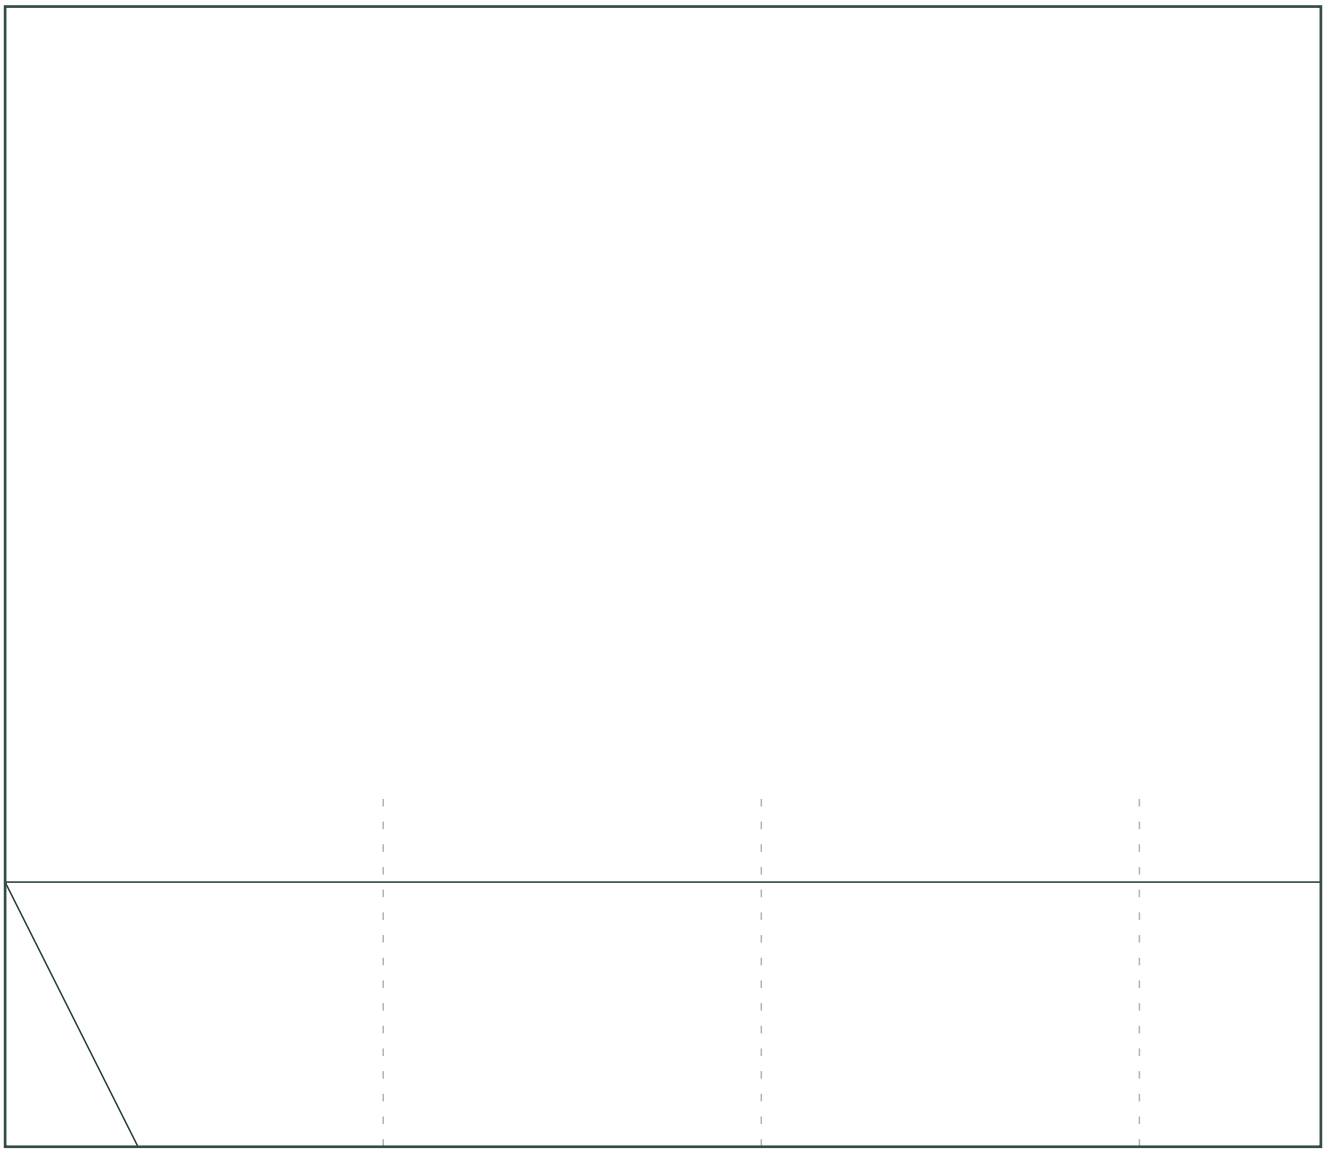
DIYWOODPLANNER / 1:1 fabrication template

A4 / tile 1-1 of 1 by 3 / print actual size, no fit-to-page

Origin: X 0.00, Y 0.00 mm / overlap 10 mm / lap depth 9 mm

Tape matching grid coordinates; verify both calibration bars with a ruler.



LEFT X=0.00 mm RIGHT X=174.00 mm

100 mm horizontal calibration

Vertical calibration at right: 50 mm

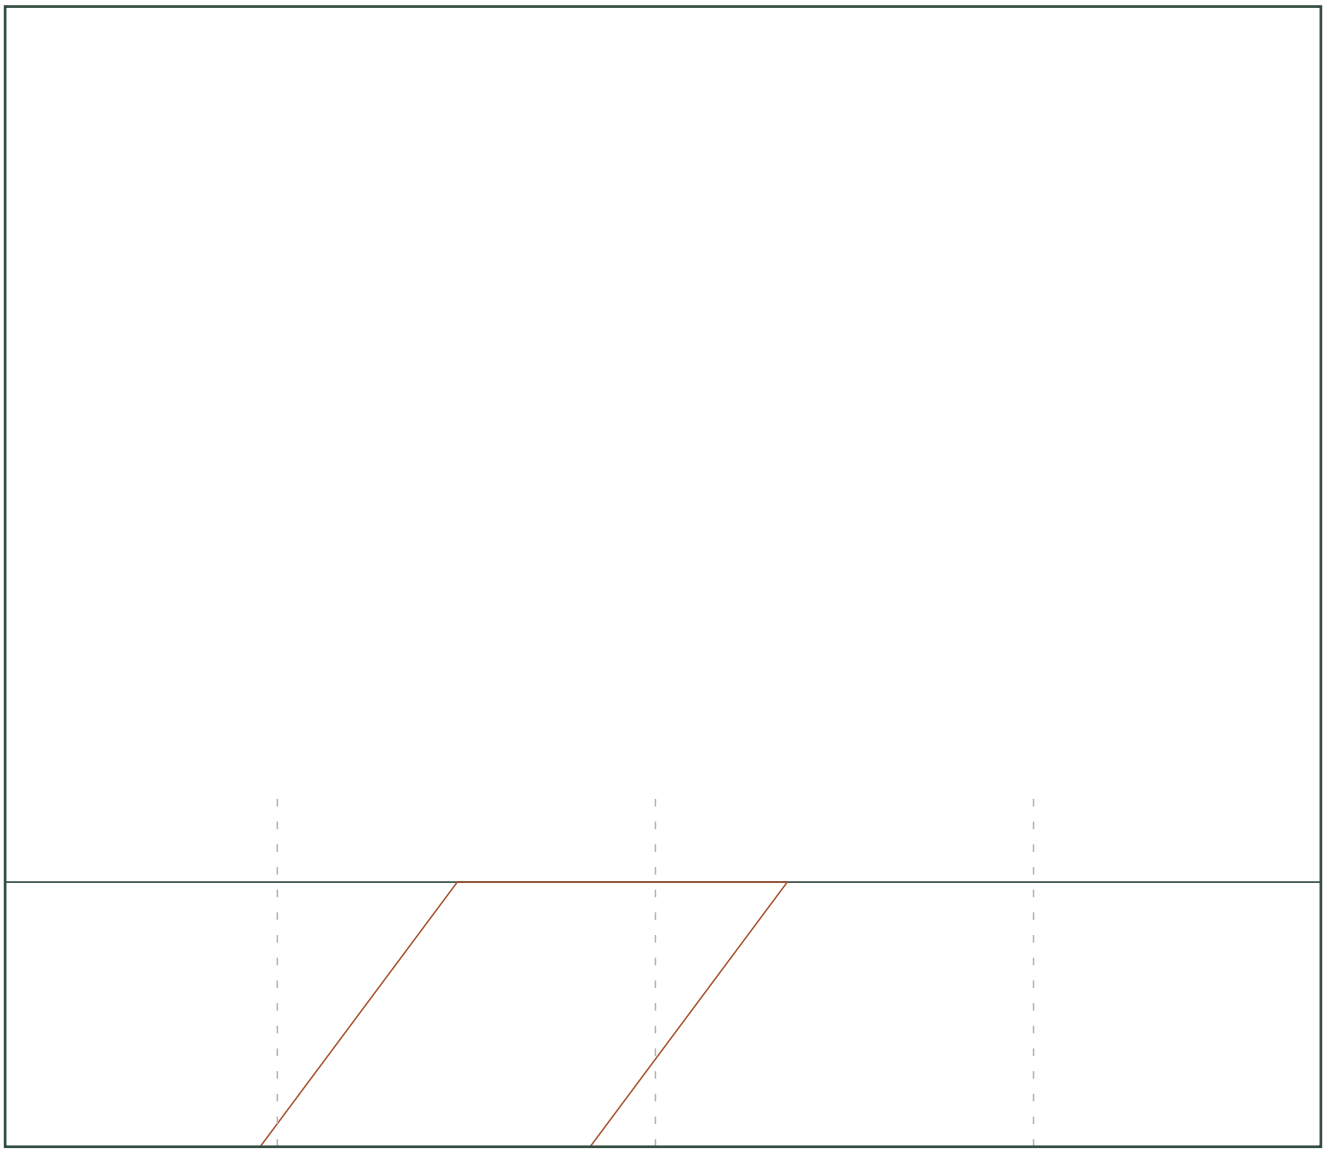
Pattern only: use clamps/guards and a scrap test; this is not a router fixture.

DIYWOODPLANNER / 1:1 fabrication template

A4 / tile 1-2 of 1 by 3 / print actual size, no fit-to-page

Origin: X 164.00, Y 0.00 mm / overlap 10 mm / lap depth 9 mm

Tape matching grid coordinates; verify both calibration bars with a ruler.



LEFT X=164.00 mm RIGHT X=338.00 mm

100 mm horizontal calibration

Vertical calibration at right: 50 mm

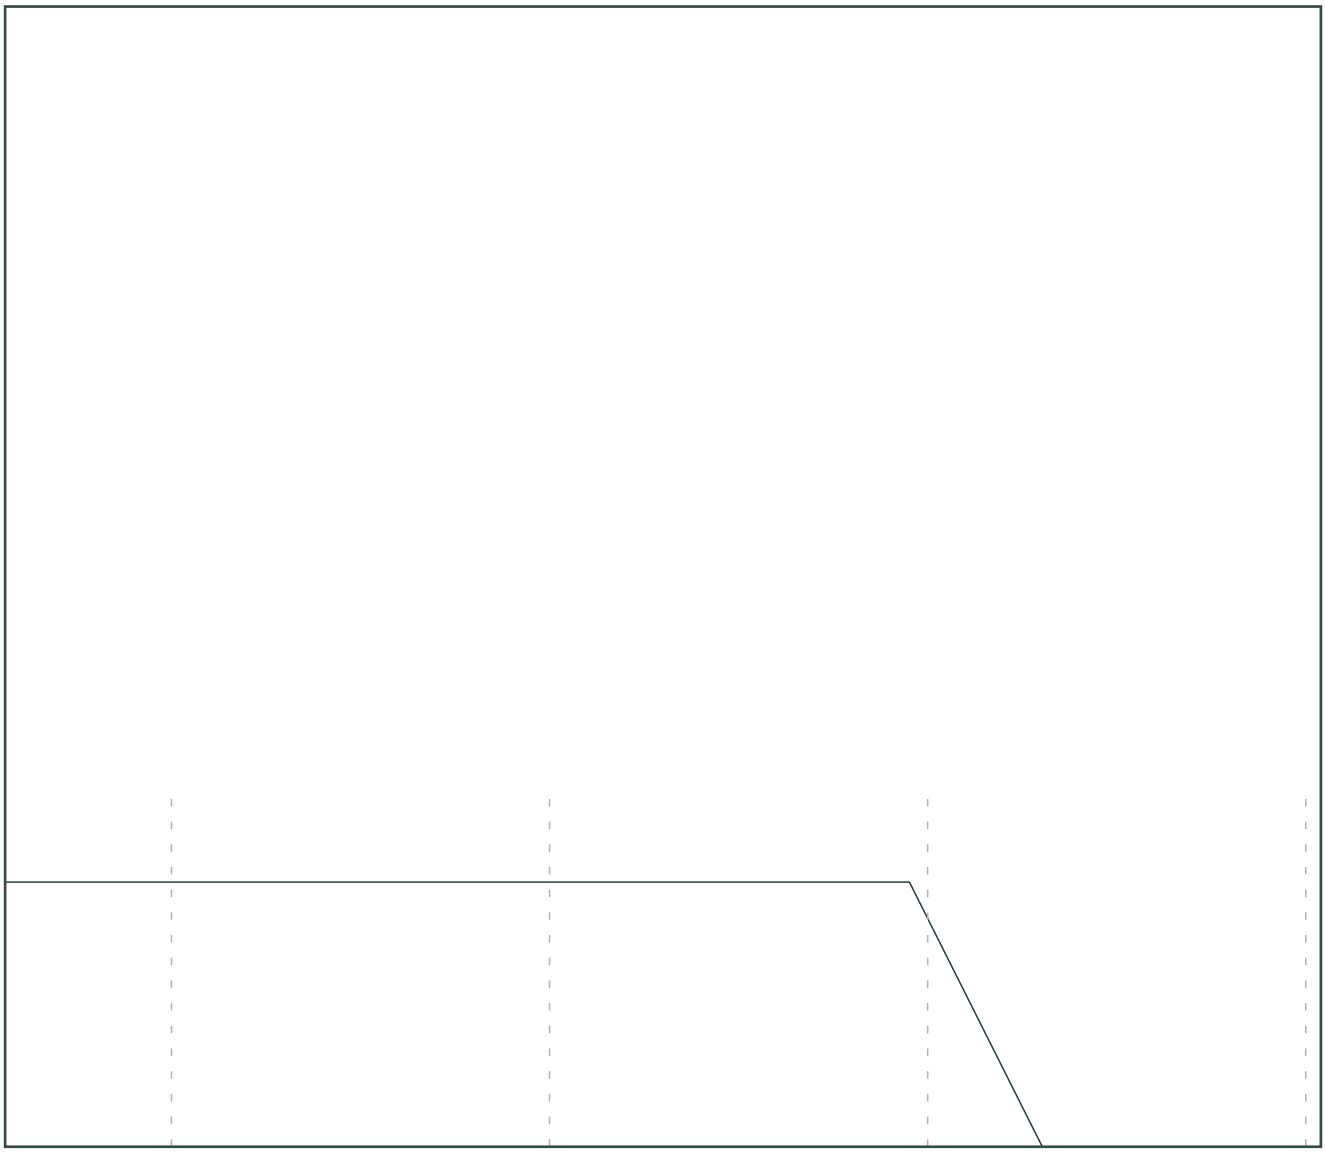
Pattern only: use clamps/guards and a scrap test; this is not a router fixture.

DIYWOODPLANNER / 1:1 fabrication template

A4 / tile 1-3 of 1 by 3 / print actual size, no fit-to-page

Origin: X 328.00, Y 0.00 mm / overlap 10 mm / lap depth 9 mm

Tape matching grid coordinates; verify both calibration bars with a ruler.



LEFT X=328.00 mm RIGHT X=502.00 mm

100 mm horizontal calibration

Vertical calibration at right: 50 mm

Pattern only: use clamps/guards and a scrap test; this is not a router fixture.
