DIYWOODPLANNER / 1:1 fabrication template

Letter / tile 1-1 of 1 by 3 / print actual size, no fit-to-page

Origin: X 0.00, Y 0.00 mm / overlap 10 mm / lap depth 9 mm

Tape matching grid coordinates; verify both calibration bars with a ruler.

LEFT X=0.00 mm RIGHT X=179.90 mm

100 mm horizontal calibration

Vertical calibration at right: 50 mm

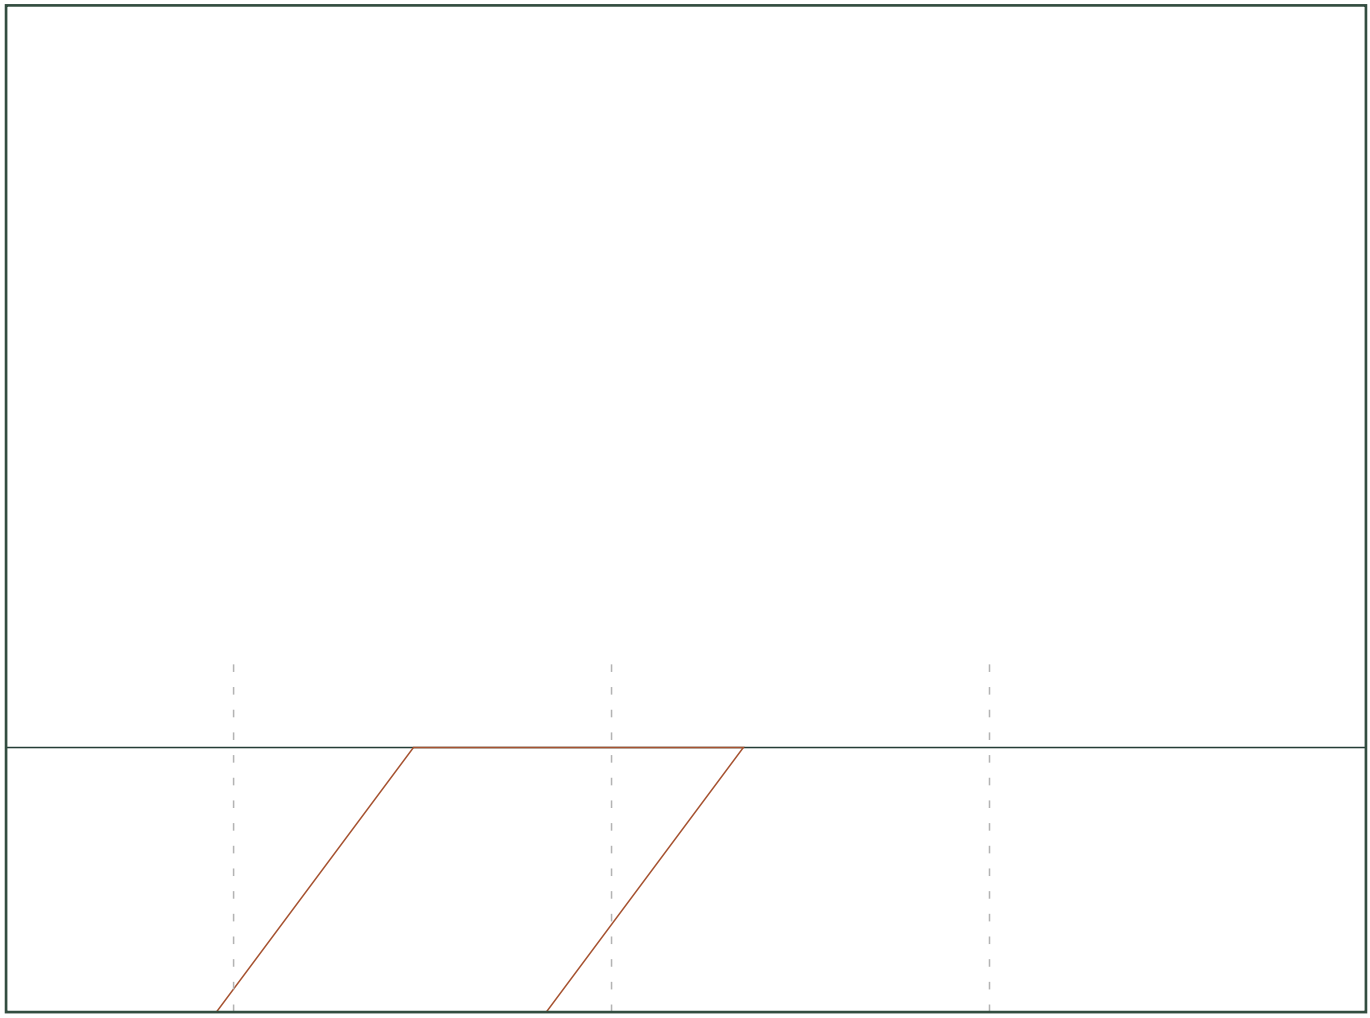
Pattern only: use clamps/guards and a scrap test; this is not a router fixture.

DIYWOODPLANNER / 1:1 fabrication template

Letter / tile 1-2 of 1 by 3 / print actual size, no fit-to-page

Origin: X 169.90, Y 0.00 mm / overlap 10 mm / lap depth 9 mm

Tape matching grid coordinates; verify both calibration bars with a ruler.



LEFT X=169.90 mm RIGHT X=349.80 mm

100 mm horizontal calibration

Vertical calibration at right: 50 mm

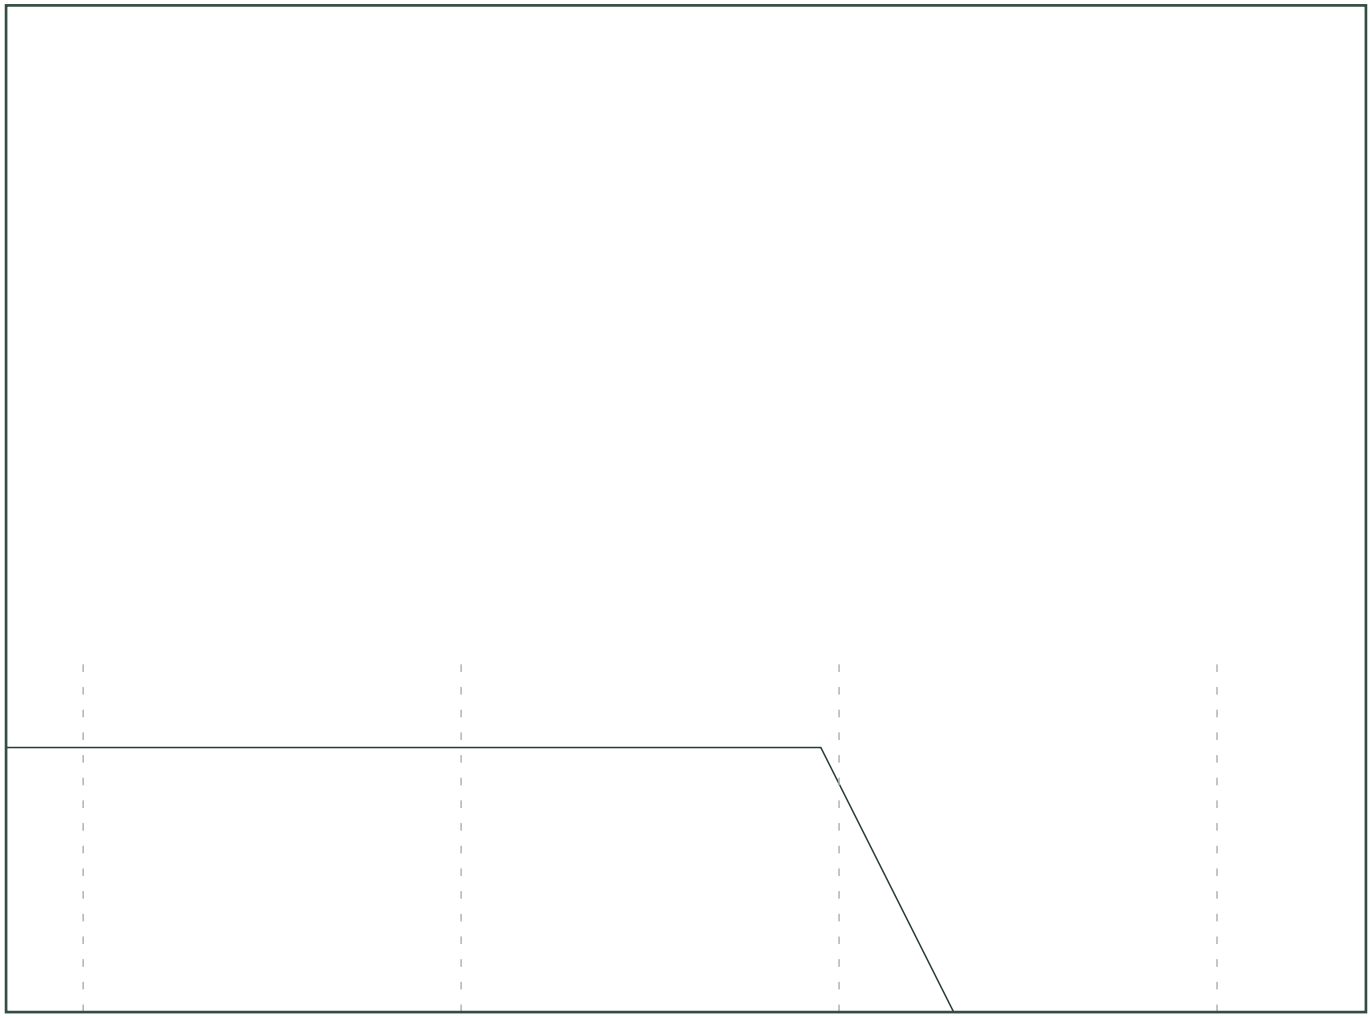
Pattern only: use clamps/guards and a scrap test; this is not a router fixture.

DIYWOODPLANNER / 1:1 fabrication template

Letter / tile 1-3 of 1 by 3 / print actual size, no fit-to-page

Origin: X 339.80, Y 0.00 mm / overlap 10 mm / lap depth 9 mm

Tape matching grid coordinates; verify both calibration bars with a ruler.



LEFT X=339.80 mm RIGHT X=519.70 mm

100 mm horizontal calibration

Vertical calibration at right: 50 mm

Pattern only: use clamps/guards and a scrap test; this is not a router fixture.
